KIRK-SESSION REPORT.

Since last Report the pastoral charge of the congregation has been left vacant in consequence of the translation of the Rev. Dr. Smith to St. Andrew's Church, St. Johns, N. B. Steps have since been taken with the view of securing the harmonious settlement of a successor, and the Session trust that this desirable result may soon be reached.

The number of baptisms during the past year is 31, and of deaths 12; the number of communicants on the roll is 315; the number of those added during the year is 41, of whom 25 have been received on profession of their faith, and 16 on certificate; dismissions and deaths 31.

REPORT OF THE BOARD OF MANAGERS.

ST. ANDREW'S CHURCH, 9TH APRIL, 1884.

The Managers beg respectfully to submit herewith the financial statement for the year ending 31st ult.

The Revenue from all sources is very much the same as the year previous, but owing to the expenses being less the "floating debt," after paying $214.41 for improvements to property, has been reduced by $514.84, and the indebtedness of the congregation, apart from the Bonded debt, is now $312.05, against $826.89 last year.

The total monies collected from all sources by the congregation for the period under consideration amount to $2871.77, including $151.29 for the Augmentation Fund. A reference to the Statement will show that only $17.75 have been subscribed towards paying for the "Church Record," which costs $30.00.

Your Committee again desire to refer to the fact that the church and manse property is absolutely in need of certain repairs which must be attended to this year. To meet this expenditure, which will be about $600.00, your Committee would recommend that special collections be taken up on the following Sabbaths during the current year, viz.: on the first Sabbaths in May, August, November and February.

Mr. J. M. Strange having tendered his resignation as a member of the Board, Mr. Clark Hamilton was appointed to fill the unexpired portion of his term.

The retiring Managers are Messrs. R. Carrol, W. Irving, A. Ross and W. G. Craig, who are eligible for re-election.

All which is respectfully submitted.

The old debt is still $1000, bearing interest at 7 per cent. The holder of the bond requires payment, or a new bond must be furnished by the congregation. A meeting of the committee appointed at last annual meeting was called but there was not a quorum. Nothing has been done towards providing for this debt. It is the general feeling that so soon as the vacant pastorate is filled a vigorous effort must be made to wipe out all the indebtedness of the congregation, and start with a clean sheet.

REPORT OF ST. ANDREW'S CHURCH SABBATH SCHOOL FOR THE YEAR ENDING 31st MARCH, 1884.

Superintendent.....W. G. Craig.

Organists..... .... { Miss Irving, Miss Greenwood.

Pianist.....Miss Chambers.

Secretary-Treasurer..... .. James Pollie.

Librarians.—T. D. Minnes, James Begg, Hugh Pollie, and Wm. Cannon.

Teachers.—Mrs. Thompson, Clerihue, Cannon, Macdonnell, McClymont and Paul; the Misses McPherson, G. Strange, Dickson Beaton, Chambers, Duff, A. Minnes, Pollie, Rose, McIver, Fraser, Bain, Davidson, M Strange, A. Strange, Gray, M. Gray, Hamilton, Mitchell, Minnes, Irving and Sutherland; Messrs. A. Ross, W. G. Craig and Prof. Harris.

The Teachers and Office-bearers take great pleasure in submitting the Annual Report of the Sabbath School.

The year ending March 31st, 1884, has been an eventful one in the history of our School. Many changes have taken place and valuable christian workers have gone from our midst, viz.: the Misses Fowler, Smith, Sutherland and G. Fraser, the latter having been a faithful and zealous teacher for a number of years. Also Dr. Smith and Mr. Rattray. Mr. Rattray was connected with our School only for a short time but we remember him with pleasure. Dr. Smith, as we anticipated in our last report, has since removed to St. John, N.B. We pray that God's blessing may rest upon and abide with all of them in their different circumstances and new fields of labor.

Notwithstanding the loss of these co-workers, together with its very efficient Superintendent, Dr. Smith, the School has very great reason to thank the Divine Teacher for the degree of success and marks of encouragement which have been experienced.

There are 259 scholars on the roll; the average for the year has been 232; average attendance Infant Class 36, Bible Class 8.

All have studied the International series of lessons together with the Shorter Catechism. The Infant Class only using the Mother's Catechism instead of the Shorter.

It will be seen by the financial statement submitted herewith that forty-five dollars and fifty cents have been paid to missions. The statement also shows a small balance at the credit of the School; but there are several accounts unpaid, amounting to about thirty-five dollars.

The collections for last quarter would have been sufficient to have paid these accounts, but unfortunately the funds which were intended for that purpose are not available as, during the night of the 27th, the Hall was entered and the boxes containing the money, we regret to say, were stolen, and none of it has been recovered.

The Annual Pic-Nic was held as usual; also the Xmas Festival. Several pleasing events at the Festival were the presentation of a handsome testimonial to Mr. W. G. Craig, for his long and faithful service as Teacher and Assistant Superintendent in the School, and for the efficiency with which he has filled the position of Superintendent since the removal of Dr. Smith. Also the presentation of handsome Reference Bibles to the following scholars for having answered correctly all the questions of the Shorter Catechism, viz.:—Dell McDonald, Sarah Allen, Emma Connors, Mary Campbell, Minnie Donnelly, Annie Fairbairn, Jane Glasgow, Alexander Fairbairn, Robt. Glasgow, Willie Glasgow, Agnes Kennedy, Jane Kennedy, Laura McLeod.

We beg to record another year of faithful service as Organist by Miss Irving, and also the assistance of Miss Greenwood at the same instrument.

During the year a piano has been introduced, which has been successfully used by Miss Chambers in improving the melody and heartiness of the singing.

A short prayer meeting is held every Sabbath, after the usual exercises, to ask a divine blessing on the labors of the day, and to examine the lesson for the following Sabbath.

It is with gratitude to God that we remember the many privileges and opportunities we have enjoyed throughout the year that has gone and recount the success that has attended the efforts put forth.

All which is respectfully submitted.

REPORT OF THE BOARD OF MANAGERS.

St. Andrew's Church, 9th April, 1884.

The Managers beg respectfully to submit herewith the financial statement for the year ending 31st ult.

The Revenue from all sources is very much the same as the year previous, but owing to the expenses being less the "floating debt," after paying $214.41 for improvements to property, has been reduced by $514.84, and the indebtedness of the congregation, apart from the Bonded debt, is now $312.05, against $826.89 last year.

The total monies collected from all sources by the congregation for the period under consideration amount to $2871.77, including $151.29 for the Augmentation Fund. A reference to the Statement will show that only $17.75 have been subscribed towards paying for the "Church Record," which costs $30.00.

Your Committee again desire to refer to the fact that the church and manse property is absolutely in need of certain repairs which must be attended to this year. To meet this expenditure, which will be about $600.00, your Committee would recommend that special collections be taken up on the following Sabbaths during the current year, viz.: on the first Sabbaths in May, August, November and February.

Mr. J. M. Strange having tendered his resignation as a member of the Board, Mr. Clark Hamilton was appointed to fill the unexpired portion of his term.

The retiring Managers are Messrs. R. Carrol, W. Irving, A. Ross and W. G. Craig, who are eligible for re-election.

All which is respectfully submitted.

Chairman.

The minutes of the last annual and special meetings were read and confirmed.

The four retiring managers were re-elected, and Mr. D. Fraser was elected for the unexpired term of Mr. Robertson who resigned, and Messrs. G. M. Macdonnell and John Kinghorn were elected Auditors.

Mr. A. Robinson read the Secretary's report and Mr. W. T. Minnes the Treasurer's report of the Sabbath School, which were received and adopted.

Mr. John Duff read the Session and Poor Fund Reports, which were received and adopted.

The meeting was then closed with the Benediction.

KIRK-SESSION REPORT.

The Kirk-Session in presenting their Annual Report, desire to unite with the congregation in congratulations that we now, after a long vacancy, have a settled Pastor to minister to our spiritual wants. It is our earnest prayer that he may be long spared to go out and in among us and that his labors may be followed by the pouring out of God's Spirit among us, and that abundantly.

We desire to tender our hearty thanks to the Rev. Dr. Bain for his pastoral work in the congregation which we have reason to know was much appreciated and resulted in great good to many. Our thanks are also due to the Rev. Mr. Chambers, for some time Moderator of the Session. At considerable inconvenience to himself he placed his services and admirable business habits at our disposal. The Session also desire to record their indebtedness to Miss Irving for the valuable aid she has during the year rendered in the Church, Sabbath School and Prayer Meeting.

During the year 7 communicants were added to the Roll by profession of faith and 18 by certificate. 22 were removed by death and other causes. There are now on the Roll 318.

We record with deep regret the loss to the congregation of two faithful and highly esteemed members—the late Mrs. George Davidson and Mrs. Gray.

The Sacrament of the Lord's Supper has been dispensed quarterly during the year and 24 have been received into the Church by Baptism.

We cannot conclude this Report without an expression of thankfulness for the great harmony that exists among us and for the lively interest manifested by the congregation in the affairs of the Church, as evidenced by the largely increased attendance at the Prayer Meetings and Sabbath Services, and we pray that this may be followed by the manifestation of a deep and abiding interest in spiritual things.

JOHN DUFF,
Session Clerk.

REPORT OF THE BOARD OF MANAGERS.

St. Andrew's Church, 14th April, 1886.

The Managers in common with every member and adherent desire to express grateful thanks to the Great Head of the Church for the happy and encouraging circumstances of the congregation and especially that during the year a Pastor has been settled over us.

We would at this our first Annual Meeting after his arrival amongst us, record our hearty approval of the warm welcome extended to the Rev. J. Mackie, M.A., and trust that he may long be spared to minister to an affectionate congregation, who shall be ever faithful in seconding him in every effort for the spiritual good of all.

The Financial Statement herewith is encouraging though there are still liabilities to be met. The Revenue by Envelopes and Plate Collections amounts to $2885.69, the largest sum received from these two sources since 1878.

The liabilities as per Statement herewith amount to $594.76, which we hope will be covered by next year's income, over and above current expenses. Although the contributions of this year have been liberal, the sums paid out for repairs, extra pulpit supply, &c., have been large.

In response to the circular issued in January last asking for increased contributions, only a few responded, these we expect will be continued, and it is hoped that many more will follow their example and increase their subscriptions according to their ability. We believe much more can be accomplished by constant giving in small sums, than by spasmodic efforts now and again

We estimate the expenditure for the ensuing year at $3543.00.

The retiring Managers are Messrs. John Mudie, D. Gibson, W. Harold and R. Carrol—also Mr. W. Robertson, whom we regret to state has announced his intention to remove from the city during this month.

All which is respectfully submitted.

D. GIBSON,
Chairman.

Treasurer ..... Wm. Minnes.
Organist..... Miss Irving.
Assistant Organist..... Miss Greenwood.
Teacher of Infant Class .... Mrs. R. Thomson.

Librarians—Messrs. Wm. Cannon, Jas. Cochrane, John Cochrane, C. Strange, and D. Thomson.

Teachers—Mrs. Paul, Misses Fowler, Beaton, Thomson, A. Harrold, A. Minnes, M. Harrold, G. Strange, Macpherson, Minnes, Ross, L. Bain, Rose, Hamilton, Pollie, Davidson, M. Strange, Gray, McIver, Bain, Irving, Robertson and Sutherland; Messrs. Ross, Clark, Hobart and Prof Harris. Why should there be so few male teachers?

Another year of Sabbath School work has come and gone, and it is with pleasure that we again submit our Annual Report.

We thank and praise the Great Teacher that we can once more say that prosperity and encouragement have attended our humble efforts to do good. During the year the vacancy in the pastorate of the Church has been filled and the School is delighted to have a pastor once more to rule over it.

On Mr. Mackie's arrival here from his far-off home, he was tendered a hearty and affectionate welcome amongst us, and we look hopefully forward to many happy years of earnest successful work with him in the Sabbath School.

We miss several names from last year's list of teachers, Mrs. Cannon and Misses Chambers and Fraser, who have been obliged to withdraw their valuable services owing to domestic cares or removal from the city.

Our energetic and faithful Secretary, too, on account of a change in his business relations, has been obliged to retire. We remember them all with affection and our prayers for their future welfare go with them.

Through the kindness and liberality of friends of the School the

Library has had a very attractive addition, but a further effort is required in this direction to meet the wants of the School.

The Kirk-Session prizes, viz.: A handsome reference Bible, for the repetition of the Shorter Catechism and book for the Mother's Catechism, were obtained by the following scholars: For Shorter Catechism —Millie Duncan, Etta Gray, Lizzie Connors, Katie Fowler, Sarah Kennedy, Lizzie Bruce and Nellie Henderson; and for the Mother's Catechism—Jessie Newlands and Georgie Bruce.

The number of scholars on the roll is 298, in the Infant Class 60, in the Bible class 47, making a total of 405, and the average attendance has been 251. There were 30 scholars transferred from the Infant Class to the main room during the year. The International Series of Lessons is studied by the Main School, the Bible and Infant Classes taking other subjects; for the latter Master D. Thomson kindly furnishes very helpful original illustrations.

The subscriptions paid to Missions are: General Home Mission Fund, $20.00; and to Welland Canal Mission, $13.00. In connection with the latter, we enjoyed a very pleasant visit from the Rev. Mr. Bone last month. The children are always delighted to see and hear him.

We desire to record our thanks to Miss Irving as Organist, and to Miss Greenwood for her assistance at the same instrument, and also to Mr. Rae who so kindly furnished, at his own expense, a Hymn Rack for the Infant Class room.

Miss Rose and Mr. Craig were each the recipients of testimonials of appreciation from their respective classes on the occasion of the members being transferred to the Pastor's Bible Class.

We cannot close without referring to the Christmas festival. In addition to the usual programme there was the mission boat laden with papers, books, dolls, toys and clothing, contributed by the children, to be distributed throughout the destitute parts of the Presbytery. These gifts exceed all expectation in abundance and were a source of great delight to the young givers.

All which is respectfully submitted.

(Signed) A. ROBINSON, *Sec'y.*

REPORT OF THE BOARD OF MANAGERS.

St. Andrew's Church, 13th April, 1887.

The Managers regret that the financial statement herewith submitted is not more satisfactory; a deficit still remains and the hope expressed in the last report has not been realized. A close examination of the figures, however, is not discouraging. The liabilities, which last year amounted to $594.26, now stand at $820.35, an increase of $225 59; but against this we are pleased to note that the revenue is larger than last year by $269.14.

The extraordinary expenditure has been $283.61 for repairs and $105.75 for insurance; the latter item being premium for three years. But for these disbursements, amounting together to $389.36, our liabilities would have been reduced from last year, and as these expenses will not occur this year, it is evident that all our liabilities and the current expenses of this year can be met by a slight increase of revenue.

The circular issued last month requesting increased subscriptions was cheerfully responded to by a few, but the amount realized did not bring about the desired result. It is hoped that these increased subscriptions will be continued and that many other contributors will see their way to do likewise, after having read the present statement with its explanations.

Your Committee also expect to augment the present revenue considerably by a thorough personal canvass of the congregation at an early date, and looks forward hopefully to a liberal and hearty support to their efforts.

By request of the Presbytery it will be necessary to make our fiscal year end 31st Dec., and we recommend that the annual congregational meeting be held on the third Monday of January in each year. Steps must be taken at this meeting to comply with the wish of the Presbytery.

In consequence of this change your Committee suggest that no pamphlet be published at this date, but that it be issued at the end of the year for the current twenty-one months, when it is hoped your Committee will be in a position to report a satisfactory state of the finances of the congregation.

The retiring Managers are Messrs. W. Irving, A. Ross, W. G. Craig and James Minnes.

All which is respectfully submitted.

Mr. R. R. Creighton was appointed Secretary.

The minutes of the last congregational meeting were read and confirmed.

The following resolution was unanimously adopted:

The meeting has learned with profound pleasure of the legacy given to the church by the late Mrs. Barclay, especially when it is remembered that this good lady was possessed of very limited means. Mrs Barclay, was a devoted adherent of St. Andrew's, and one who always had its best interest at heart, and we desire to place on record the recognition of her benificence. "She did what she could."

It was moved by Rev. Dr. Grant, seconded by Mr. Macdonnell, and resolved:

Kirk-Session Report.

The Kirk-Session respectfully report to the congregation that the Sabbath Services have been regularly conducted all through the year and have been well attended.

The Wednesday evening Service has also been appreciated by increased numbers, the average attendance being eighty-five.

The Sacrament of the Lord's Supper has been celebrated three times during the year instead of four, as, owing to a new arrangement of dates of observance, it had been kept for the fifth time just at the close of the preceding year.

The Sacrament of Baptism was administered to 17 children, the administration in almost all instances taking place in the homes.

In the Church records 15 marriages have been registered, and 20 deaths.

During the year 42 persons have been added to the Communion Roll, 21 on profession of faith, and 21 by certificate.

The Kirk-Session has lost by death the valuable counsel of Mr. Alex. Ross. A record of their estimate of him has been placed in their minutes and is as follows:

"The Kirk-Session at this their first meeting since the death of Mr. Alex. Ross, resolve to place on record their sorrow at his removal and their sense of loss. They remember with gratitude to God his life-long attachment to the church; his valued services as teacher in the Sabbath School for nearly fifty years; his work as a manager, trustee, as an elder for the last six years of his life; and above all the gentleness and simplicity of his nature, his integrity of spirit, his life of faith, and his departure in confidence of a blessed immortality. They record also their sympathy with the widow and family, and commend them to the effectual consolation and abiding care of God."

The Session beholds with much satisfaction the increasing zeal that is animating the congregation and the peace and harmony that are its striking characteristics.

The Session desires to record their high sense of the services that have been voluntarily rendered the church by the members of the choir during the year, and return their very grateful thanks for the same.

The Session has examined the report of the Poor Fund, administered by the Home Association, and has ordered its publication as an appendix to their report.

Acknowledging God's goodness in all the way through the past and confidently trusting in Him for the future, the Session would exhort the congregation to all faithfulness and diligence in the work of the Lord.

In name of the Kirk-Session.

Report of the Board of Managers.

St. Andrew's Hall, Jan. 24th, 1894.

In presenting their report for the year ending 31st December, 1893, the managers desire to congratulate the congregation on the favourable financial results which have been attained. Notwithstanding the undoubted monetary stringency which has affected all classes, it is most gratifying to record our ability to meet our several engagements. This must be humbly recognized as a matter of devout thankfulness to Almighty God.

The managers beg to emphasize their appreciation of the zeal and untiring energy of the women of the congregation during the past year, who have so nobly raised upwards of $2000 for the liquidation of our funded debt. The women also most generously undertook to pay off the cost of placing a new furnace, with all the requisite appendages, in the Manse.

It is to be hoped that the Treasurer of the Supplementary Fund will be cheered for his well directed efforts by a large reinforcement to his list of contributors. The managers would again earnestly urge on the congregation the continuance of this easy mode of paying off the interest on our secured liability.

To avoid the necessity of discounting and thus save the interest consequent thereupon, the managers, at the risk of perhaps an unwelcome persistency after the contributions which have been made, would invite the congregation to the payment, as much as possible, of the pew rents in advance, and also the regular attention each Sunday to the voluntary envelope collection.

The retiring managers are Messrs. D. Fraser, G. S. Hobart and D. Gibson, and the retiring ushers are Messrs. McArthur, G. Somerville, J. Pollie and W. T. Minnes.

Church Debt Interest Fund.

To the Chairman Board of Managers, St. Andrew's Church.

DEAR SIR,

In forwarding to you a detailed statement of the receipts during 1893, towards the fund for meeting the interest on the church debt I desire to offer the following remarks:

The total number of contributors was 119 only; of these, one, James Ballantyne, died; and another, Miss Urquhart, left Kingston to reside in Toronto. Inclusive of interest the total amount realized was $306.68.

While acknowledging and thanking many for the regularity with which they have sent in their envelopes, it is my duty to point out that the scheme is a complete failure, utterly failing, as it does, to meet the purpose for which it was intended. A sum of $900 was wanted, and only a little over one-third has been collected, a very large number of the congregation having failed to take the matter up.

To ensure success I must have 300 contributors at $2.60 each, and if by the end of March next this number has not been reached, or nearly reached, I resign the treasurership and leave the scheme to be worked by other hands; meanwhile, all who wish the church well, and who have not already notified me, should lose no time in intimating to me the amount they are willing to give, 5, 10 or 15 cents per week.

I remain, very faithfully yours,

R. S. DOBBS,

Treas. Church Debt Int. Fund.

N.B.—Possibly some of the amounts are not as large as the donors expected. This may be owing to "weekly offering" envelopes having been used, when the amount found its way into the general revenue of the church.

COMMITTEE FOR 1894.

Mr. R. S. Dobbs ..... *Convener.*

Miss A. Davidson, Miss Smith, Miss M. Harold.

Sabbath School Report.

President ..... Rev. J. Mackie, M.A.
Superintendent..... W. G. Craig.
Treasurer ... . W. T. Minnes.
Secretary .... J. Pollie.
Organist..... S. Shannon.

Librarians—Messrs, Jas. Cochrane, Rainey, Shannon, Taylor, Nickle, Kerr and Cosgerry.

Teachers—Mrs. Paul, Mrs. Dobbs, Mrs. Parker, Misses Gray, M. Harold, Thompson, J. Gibson, Volume, A. L. Fowler, Knox, A. Gibson, Pollie, A. Minnes, Mackerras, G. Strange, Hamilton, L. A. Fowler, and A. Davidson; Messrs. Clark, McIntyre, Mason, J.Fisher, Bannister, and Prof. Harris.

Teachers of Infant Class—Mrs. Thompson, Mrs. W. T. Minnes, Misses McIlroy, Ethel Minnes, J. Pollie, Cameron and Mudie.

Teacher of Bible Class—The Minister.

The teachers and officers of the School have much pleasure in submitting the annual report for the year 1893.

Number of scholars on roll including Bible and Infant Classes 254. Number of teachers and officers 41. Average attendance of teachers and officers 33. Average attendance of scholars 197. Average number of scholars attending church 49.

Thirteen scholars have become communicants during the year.

The regular classes were suspended during July and August, in order that teachers and scholars absent from the city might enjoy the holiday without feeling that they were neglecting the school. The school, however, remained open during these months and was fairly well attended.

The International Series of Lessons have been studied, and the following scholars received Kirk-Session prizes for having recited the entire Shorter Catechism:—Sarah Campbell, Annie McBride, Annie Gillie, Birdie McDonald, Lizzie Campbell, Marguerite Harris, Lorraine Minnes, and Florence Campbell. Mother's Catechism:—Lilla Herald, Sarah Rooke, Connie Lowe, Martha Gray, Laura McArthur, Birdie McDonald, Willie Jones, George Mudie, Lorne Fisher, and Balfour Mudie.

We welcome to our ranks as teachers—Mrs. Parker, Misses Cameron and Mudie, Messrs. Mason, Fisher and Bannister, and to the library department—Messrs. H. Nickle and Cosgerry.

In addition to the usual special quarterly collections for Home Missions and Building Fund, the scholars have subscribed $20.51 for Foreign Missions.

Misses Davidson, Bain, McIver, and Spankie have severed their connection with the school after many years of faithful service.

No additions have been made to the Library during the year, although the Librarians hoped that an effort would have been made in this direction. The present volumes are pretty well worn, and parents and guardians should see that the books are properly cared for when taken out by the scholars, as they are sometimes returned in very bad condition.

The annual Pic-Nic and Christmas Festival were heartily enjoyed.

Interesting children's services were held in the church on two occasions, one conducted by the Minister and the other by the venerable Missionary, Dr. Patton.

It is with deep sorrow that we have to record in our report for this year the loss of the oldest teacher in the school by the death of Mr. Alexander Ross, who for a period of about fifty years gave faithful assistance in training the young.

We close our report by referring to the Infant Class report as presented by Mrs. Thompson, which reads as follows: "The plan pursued by the Primary Class for sometime now has been very successful, and I record with thankfulness the great help, support and sympathy received from the assistant teachers. Two teachers, Miss Fowler and Miss McIlroy have gone out with their classes, the places being eagerly filled by earnest young ladies. The pictures used for the last year have been a great source of interest to the children and particularly helpful in the review of the lessons each quarter. The picture suggesting the golden text, and the text recalling the story. A lady and gentleman who take an interest in this work have given the pictures for 94."

All which is respectfully submitted.

At the death of our late lamented Vice-President, Mrs. Bain, Mrs. Mackie was appointed, and on the resignation of Mrs. Dobbs, Mrs. Hickey was appointed. On the removal of Mrs. G. Hazlett to Winnipeg, Dr. Annie Dickson was made Treasurer in her stead.

The number of members is 26. Average attendance 12.

There were held during the year one special and ten regular monthly meetings.

Sewing meetings were held twice a week during February, March and April. At these meetings comfortable clothing and quilts were made for aged and infirm in the Northwest. Value of bale sent this year $52.

At the annual Thank-offering meeting held Oct. 25th the minister presided. The offering amounted to $38.50.

At the annual meeting of the Presbyterial auxiliary held in the Hall in March, reports were read by delegates from different auxiliaries. There were between 40 and 50 delegates present.

On June 28th there was a united meeting of the W. F. M. S. Auxiliaries from the three city churches, Chalmers', Cook's and St. Andrew's. At this meeting interesting mission news was read by three ladies, one from each auxiliary.

During the year mission news in the form of leaflets to the number of 60 has been distributed monthly.

Thanks are most heartily given to those who contributed in any way to make both our regular monthly and sewing meetings interesting, and it is earnestly hoped that the year upon which we are now entering will be one of far greater zeal in our work and more strength in our numbers.

The work of this Association has been carried on quietly but effectively during the year. Monthly meetings, on the whole well attended, have been held, when things pertaining to the welfare of the congregation have been discussed and useful work done.

The Church Record has been distributed monthly in the homes of 225 families. There are only a very few members who do not read the Record, at least who do not get it through the District Visitors.

The Poor Fund entrusted to the Association by the Kirk-Session for administration, has received very careful attention. All the wants of the poor have been duly provided for, and the income given by the congregation at the Communions has been sufficient. A statement of expenditure is herewith given.

The principal work of the Association for 1893 was the enlisting of the sympathy and activity of 230 women of the church in an endeavour to reduce still further the church building account. By the

method adopted, and now well known, the round sum of two thousand dollars has been deposited in the Merchants' Bank, to be handed when required to the Managers of the church. The balance, $114.37 is reserved, to be added to the sum expected to be raised in the same way during 1894 for the same purpose.

The Association has also relieved the managers of the payment of about $300 for a new furnace and extra coils which were required for the Manse.

The Association give thanks to God for whatever of help they have been enabled to render the church, and have joy in the reflection that, though their meetings have been many and the subjects brought before them varied, perfect harmony has been maintained throughout the year.

All which is respectfully submitted.

The work of the Guild in its various sections has been vigorously prosecuted throughout the year.

The monthly meetings have been well attended, and the reports from the different sections have shown unabated interest and lively work carried on in Rockwood Asylum, the General Hospital, the House of Industry; in providing clothes for the needy and especially for poor children; in visiting the aged and sick for the reading of Holy Scriptures and Services of Praise.

There is no branch of work that seems forgotten by the Guild; the sphere of activity is wide and every woman in the church may find under its name a field to labour in. There is absolutely no need for any woman of the church to go searching for Christian work away from the directing eye of the church.

There has been nothing of a special nature to mention in the work of the year in this report. All has been cheering work.

In the name of the Guild,

M. VOLUME,
Secretary.

Young Men's Guild.

The principal work of this Guild during the past year has been the conducting of meetings for Bible study every Sunday morning at ten o'clock. The attendance has never been large, but to those of us who have had the opportunity of attending regularly they have been found both interesting and profitable.

The subject of study has been the International Sunday School Lessons, and, as many of the members are engaged in Sabbath School work these meetings have afforded them great help.

The Guild held two open services during the year. We were pleased to see such a large number of the congregation attend.

Owing to the removal of some of our most active workers from the city the Guild has been somewhat weakened.

We trust that in the present year we may have the hearty co-operation of every young man in the church, to all of whom we extend a cordial invitation to join us in this good work, so strengthening us to become, if not the most active, *one* of the most active, organizations of the church,

All of which is respectfully submitted.

There is not much to report for last year. The work has been principally the same as in former years. The St. Andrew's Children's Ward has had its constantly recurring necessities attended to. These, however, have not been on a large scale, as ample provision had formerly been made.

The Guild from time to time visits the Ward, and at Christmas provides presents for the sick inmates.

A fresh supply of sheets and slippers is now being provided.

There is a balance at the Bank of $23.70 to the credit of the Guild.

Several ehanges have been made in the management for 1894 which it is expected will give additional life and energy to the Society.

Kirk-Session Report.

The Kirk-Session respectfully report as follows to the congregation :

The Sabbath services have been regularly conducted and well attended during the year.

The Wednesday evening service has also been maintained, and the attendance has been encouraging. The Sacrament of the Lord's Supper was celebrated four times during the year.

The Sacrament of Baptism was administered to 18 children, the service in not a few cases being conducted in the afternoon in church.

In the church records 8 marriages have been registered and 10 deaths.

During the year 31 persons have been added to the Communion Roll, 17 on profession of faith, and 14 on presentation of certificate. On the other hand, 4 have been removed by death—Mr. George S. Hobart, Mrs. Mary Craik, Mr. Joseph Fisher, and Mrs. Joseph Milk—and 12 have left the city. The Communion Roll now stands at 479.

The report of the Poor Fund, administered by the Women's Home Association, has been examined, and the session is satisfied that the interests of the poor are well looked after, and the collections wisely and faithfully expended.

During the year a small property has, by will of the late Mrs. Craik, come into the hands of St. Andrew's Church. It is, however, mortgaged to almost its full value ($500 or thereabout) to the General Hospital.

The session gratefully recognizes the volunteer services of the members of the choir, which have added greatly to the attractions of the worship of the church.

Gratefully recognizing God's goodness and hopefully looking to Him for His blessing on all the labours and offerings of His people for the promotion of His cause both at home and in distant lands, we would do with our might what of His great work has been committed to us.

In name of the Kirk-Session.

J. MACKIE, *Moderator.*

Report of the Board of Managers.

St. Andrew's Hall, Jan. 23rd, 1895.

In meeting the congregation on the recurrence of another annual gathering, the Managers are obliged to note a falling off in some departments of revenue as indicated in the subjoined comparative statement. This may be attributed partially to the prevailing monetary stringency, partially to the gratifying financial results in other departments of church work.

The Managers again record their profound obligations to the women of St. Andrew's Church for their renewed zealous and abundant efforts in again reducing our consolidated debt. The raising of upwards of $2000 during the past year, points eloquently to the noble work in which our women have been engaged.

The Managers regret that the Treasurer of the Interest Debt Fund, Mr. R. S. Dobbs, has seen fit to send in his resignation. The entire congregation has been deeply indebted to Mr. Dobbs for several years for his energetic and careful supervision of this interesting branch of our finances. It is sincerely to be hoped that Mr. Dobbs may be induced, amidst the cordial gratitude of our people, to continue his praiseworthy labours for another year.

The Managers would again impress on the congregation the importance of having the pew rents paid in advance, so as to avoid the necessary outlay in discounting notes, and also that as large an increase as possible be made in the addition to the Envelope and Plate Collections.

The thanks of our congregation are due to Messrs. J. Gibson, R. Sinclair, J. D. Craig, J. Mackerras, C. Lowe, W. Gill, J. A. Minnes, C. M. Strange, W. Thompson, J. Cochrane, J. C. Strange, F. Taylor, G. A. Patterson, F. Raney, who have so capably acted as ushers, and in attending on the collections.

The retiring Managers are Messrs. J. W. Clark, Capt. Donnelly, James Lesslie and John Hazlett.

With devout thankfulness to the Giver of all Good, the Managers present their report for the year 1894.

JOHN McINTYRE,
Chairman.

R. R. CREIGHTON,

We take this opportunity of thanking them for their efficient services.

The annual Sabbath Scoool Pic-Nic and Christmas Festival were held and were as successful as usual. Much of the success of both of those events is due to the good management of Mrs. Paul.

We unite in expressing our regret at the illness of Miss Gray, and trust we may see her in her accustomed place fully restored to health.

In closing our report we desire to record our high sense of the services rendered the school by Mr. Samuel Shannon as organist, and return our grateful thanks for the same.

All which is respectfully submitted.

Women's Foreign Missionary Society.

St. Andrew's Auxiliary.

Office Bearers for 1894.

President ... Mrs. Dickson.
Vice-Presidents ... Mrs. Mackie, Mrs. Hickey, Mrs. Parker.
Secretary ... Mrs. Fisher.
Treasurer ... Dr. Annie Dickson.

In looking back on the past year, we have been highly favored by the presence of so many Missionaries from the foreign field, to whom we are much indebted for interesting and instructive addresses on their respective fields of labor.

We acknowledge with gratitude a visit from Dr. McKay of Formosa, accompanied by a native helper, both of whom were heard in February last, with much acceptance. The same thanks are due Dr. Marion Oliver, who gave an address at a union meeting in the Lecture Room of Chalmer's Church during April; also Miss Baker in September, gave an account of her work among Indian women and children in Prince Albert, at a union meeting in our own Hall; again, in November, Mr. Goforth described his work in Honan, China, at a union meeting in St. Andrew's Church.

We have also had an interesting account from Mrs. Cochrane of our Mission Stations in British Columbia, while a synopsis of the Presbyterial and Annual Meetings was given by our delegates.

The mode of raising funds for the Society is mainly by an optional membership fee, although most of our members contribute one dollar annually. Mite boxes are distributed, and a collection taken at monthly meetings.

The chief topic discussed at our meetings lately has been how to awaken greater interest in Foreign Missions—how to increase our membership—how are we to make our meetings more successful and more interesting.

Eleven meetings have been held during the year, average attendance 12. A bale valued at $54.35 was sent to Prince Albert.

The annual Thankoffering Meeting was held, as usual, in November; the offerings, added to the contents of the mite boxes sent in at the end of the year, amounted to $49.77.

Owing to severe family bereavement and subsequent ill-health, the Secretary has not been able to act for some time, but her place has been taken by the Treasurer.

This Association respectfully reports that during the year the monthly meetings have been statedly held, and that the attendance on the whole has been satisfactory.

The care of the poor, entrusted to this Association by the Kirk-Session, has been faithfully attended to by Mrs. Mackie, along with Miss Gray. The accounts, with vouchers, have been audited, found correct, and submitted with details to the Kirk-Session for inspection. It will be seen that the Communion collections have been sufficient for all requirements, and regular personal visitation has prevented any want existing unknown.

District visitors, to the number of 24, have called on the families of the church every month, giving accurate information of congregational work and increasing an interest in it. They have also distributed over 200 copies of the Record, and received contributions in ways most convenient to the givers for the Home and Foreign Missions of the church.

In accordance with the desire of last congregational meeting to have a complete report of subscriptions to this latter and very important work, the visitors have put forth every endeavour to secure this, but have not been entirely successful. There are still promises to be fulfilled, but sure. At the present date, after including these promises, there is collected nearly $90 less than last year. This deficiency, it is to be noted with surprise, arises not as might have been expected, from poorer families, by reason of the pressure of hard times, reducing or withholding their subscriptions.

The strength of the Association has for a second year been principally pnt forth in what is now widely known as The Talent. Two

hundred women were engaged in the work during the year, and the total result of their labours, including a few subscriptions from some who did not work the Talent, has been a net gain of $2,150. The object sought to be accomplished was the further lessening of the Church Building account by at least $2,000, and the payment of a new furnace placed in the manse last winter, which cost $359. The sum realized, however, does not do both these things, so $118 belonging to the Association, but derived from other sources than the Talent, has been advanced in the confident expectation that subscriptions will still come in to that amount, and that the Association may have the gratification of making a second payment of $2,000 towards the reduction of the Church Building account.

In grateful recognition of God's goodness and continued reliance upon Him, the Women's Home Association will labour on for the prosperity of St. Andrew's.

Young Women's Guild.

1894.

President.....Rev. John Mackie, M.A.
Conveners—
Dorcas Section.....Miss Smith.
Hospital Section.....Miss Hudgeons.
Blue Cross Section.....Miss Annie Davidson.
Visiting Section.....Miss Gray.
Social Section.....Miss Knox.
Treasurer.....Miss Boyd.
Secretary.....Miss Volume.

During the past year the work of the various sections of the Guild has been systematically and energetically carried on. The monthly meetings have been held with regularity, and have been very well attended, usually between 40 and 50 members being present. At these meetings, always presided over by the minister, reports are received from the different departments and considered, new members are introduced and assigned their work, and united action is taken on particular measures.

The Dorcas Section, the duty of which is to procure and prepare clothing for the poor, has had under the convenership of Miss Smith a very busy twelve-month. With a short pause in the hottest part of the summer, their Thursday afternoon sewing meetings have been held without interruption. The following list, though incomplete, will suffice to show the kind and amount of work accomplished—14 dresses, 4 night dresses, 9 night shirts, 5 wrappers for hospital, 2 quilts for North-West, 10 aprons, 1 quilted skirt, 9 pairs slippers, 3 pairs bloomers, 12 flannel shirts, 5 hats trimmed, and also several large bundles of cast-off clothing made up. In order to procure money for buying materials, the Section has on several occasions executed orders for families in the congregation, and earned $5.60. To this they gratefully add the following donations :—Mrs. Mackie, $3; Mrs. Nickle, Mrs. Mowat, Mrs. Hazlet, Mrs. Folger, Miss Broun, Misses Macpherson, and Mr. J. B. McIver, $1 each; Mrs. Fisher, Mrs. Gillie, Mrs. Carroll, 50c. each; and Mrs. R. S. Dobbs, 25c. Without such assistance the work of the Section could not have been carried on.

The Hospital Section, with Miss Hudgeons as convener, has paid weekly visits to the General Hospital and Rockwood Asylum. At the latter institution quite a little congregation meets for prayer and the study of the Scriptures every Wednesday, and the patients look forward to these meetings with great pleasure. It is only right to acknowledge the valuable services rendered in this work to the Section by Mrs. Marshall, of Elmhurst, though not a member of St. Andrew's. She has conducted with much success, and with great appreciation, the meetings at Rockwood, and the loving interest she manifests to the afflicted there have made her visits a season of gladness to the darkened and despairing. The cottages and hospitals in connection with the main buildings are also regularly visited, and the Bible is read at the bedside and sweet hymns are sung for the cheering of the suffering and sorrowful. The members of the Section engaged in the work at Rockwood are, through timidity, not many, but those who do work there are so interested in the work that they would not willingly quit it for any other sphere.

For the General Hospital the Section has been the means of providing 70 copies of the Holy Scriptures, strongly bound, and of large clear type, at a cost of $28.15. The kind friends who have helped in this good work have had their subscriptions acknowledged in St. Andrew's Church Notes. We simply thank them anew, and feel sure that they will be glad to know that now the Word of God, the only source of effectual consolation and spiritual health, lies in every private room in the whole building, and by almost every bed in all the common wards. It is in the hope that the silent, sacred page may be the Divine voice to many a sufferer that the Section has been moved to make this provision.

Meetings have also been held by this Section from time to time in the House of Industry, and the Protestants in the Hotel Dieu, and the House of Providence have also been ministered to. In the latter place permission has now been granted to read the Scriptures and pray with the poor.

The Social Section, of which Miss Knox is convener, has attended to all the pleasant gatherings that have been held in the hall during the year. With the cordial co-operation of the corresponding Section of the Young Men's Guild they have had successful "At Homes" for the young people of the church, for students and strangers joining the congregation, things necessary and desirable for the promotion of mutual acquaintance and friendly interest in one another.

The Visiting Section, which has Miss Gray for convener, takes

charge of all the aged poor and sick. No poor of any congregation could be better cared for. They are constantly visited and have every want and wish attended to. By reason of death and removal the number of those receiving visits from this Section has been considerably lessened.

The Blue Cross Section, under Miss Annie Davidson, has been watchful, but has no report to make of any special work done this year.

All this is respectfully submitted to the congregation in the name of the Young Women's Guild.

M. VOLUME,
Secretary.

THE OFFICERS ELECT FOR 1895 ARE :

President.....Rev. John Mackie, M.A.

Conveners—

Dorcas Section .....Miss Smith.
Hospital Section.....Miss Hudgins.
Blue Cross Section .....Miss Annie Davidson.
Visiting Section ..... .Miss Gray.
Social Section .....Miss Mowat.

Treasurer .....Miss Boyd.
Secretary.....Miss Volume.

The Juvenile Guild.

1894.

President.....Miss Etta Macpherson.
Vice-Presidents—Miss Broun, Miss Hamilton, Miss S. Gibson.
Secretary.....Miss Ethel Minnes.
Committee—Miss Nellie Hiscock, Miss Etta Gillie, Miss Mabel Boyd, Miss Bertha Connor.

The work of the Guild throughout the past year has been confined to the General Hospital, and principally to St. Andrew's Children's Ward.

In the early part of the year the President, Miss Edith Macpherson, had regretfully to withdraw from the position, and Miss Broun, one of the Vice-Presidents, kept the Guild together, and the work was carried on without interruption and successfully till a new President was appointed. Three months ago Miss Etta Macpherson was offered and willingly accepted the office, and has proved indefatigable and

zealous in the discharge of its duties, and under her leadership much may be expected for the current year.

We are glad to report an increase of membership, the total at present being 37, which is 15 more than last year. There is no reason manifest why there should not be a larger representation of the young people of the congregation.

The attendance at the weekly sewing meetings has been good, and during the last months of the year very good.

The St. Andrew's children's ward has been visited weekly by the younger members of the Guild under the care of one of the ladies or members of the committee, thus awakening and increasing their interest in the hospital, while bringing sunshine to the little sufferers.

The income of the Guild for the past year was $72.35, made up principally of a balance of $23.70 from the former year, $30 from a concert held in the hall, and from the following donations : Lady Broun, $5; Mrs. Paul, $1; Mr. McIntyre, $1; Mrs. McIntyre, $1; Miss Etta Macpherson, $1; and from the Guild collection book, $6.87.

The expenditure, amounting to $52.83, has been entirely on the hospital. Among the articles provided have been—a tea set, a toilet set, glass jars for nurses' baskets, knives, forks and spoons, white oil cloth, rubber sheeting, three draught screens, 8 pairs twilled sheets, slippers, creton cushions, netted hammock.

There remains a balance of $19.52, which work on hand will not be long in consuming.

With grateful thanks to all friends, and with confident hope of the increased support of the congregation, the Guild respectfully submits this report.

In name of the Juvenile Guild.

ETHEL MINNES,
Secretary.

Young Men's Guild.

1894.

This Guild begs to report that in the past year its work has been carried on along the usual lines.

The Sunday morning meetings have been held with an average attendance of six. Monthly meetings have been held for the transaction of business.

Two socials have been held during the year in connection with the Young Women's Guild, which we think were successful.

An excursion was run down the river and was well attended by the congregation.

We are indebted to our pastor for the silver pieces each member wears, being a St. Andrew's Cross, the emblem of our Guild.

We would like to have more of the young men of the church join us in this work, to whom we extend a cordial invitation.

Respectfully submitted.

G. A. PATERSON, *Secretary.*

KIRK-SESSION REPORT.

The Kirk-Session, in common with the whole congregation, regret that we are still without a Minister.

The Session mourn the removal by death of one of its members, the late John Creighton, of whom the resolution passed at a meeting of the congregation held shortly after his demise, fitly speaks.

We also regret the retirement from the Session of the Rev. Dr. Williamson, who by appointment of the Presbytery assumed the duties of interim Moderator when Dr. Smith's pastoral connection with the congregation terminated. The constant strain and anxiety of the office, which he filled with self-denying zeal and ability, pressed so heavily upon him as to cause him to resign. We cannot part with him without paying tribute to the wise counsel which he was ever ready and willing to give in our deliberations. The Presbytery on accepting Dr. Williamson's resignation appointed the Rev. T. S. Chambers interim Moderator.

The Session desire to express their thanks to those Ministers who have conducted the Sabbath services, and also the Clergymen connected with St. Andrew's, especially the Rev. Dr. Bain, for their kindly offices to the members of the congregation in seasons of sickness and times of bereavement.

They also tender hearty thanks to Miss Irving, as Organist, for her faithful and gratuitous services throughout the year.

The number of communicants on the roll is 315; there were added during the year 16, 8 by profession and 8 by certificate; deaths and dismissions 16; number of deaths in the congregation 12; number of baptisms 14.

The Sacrament of the Lord's Supper has been dispensed quarterly during the year.

We pray that unity, harmony and good feeling may prevail in the consideration of the important matters that require to be dealt with in the ensuing year, especially in the choosing of our pastor We trust that the Great Head of the Church may so over-rule all our proceedings that we may obtain a Minister whose labours among us the Lord will abundantly bless.

JAS. WILLIAMSON,
Moderator.

JOHN DUFF,
Clerk.

REPORT OF THE BOARD OF MANAGERS.

St. Andrew's Church, April 8th, 1885.

It will be seen by the Financial Report now submitted that the Revenue from all sources, including subscription for Augmentation Fund, is $240.23 less than it was last year. A falling off of about ten per cent, which the Managers regret.

The liabilities of 31st March, 1884, $312.05, have been all paid and $290.40 have been expended on repairs, and had the subscriptions not been reduced many other needed repairs would have have been made. Attention has again and again been called to the necessity of an improvement in the heating of the Church, and subscriptions for this purpose and repairs to property have been solicited. The repairs to Church and Manse property as stated in the last Annual Report were estimated to cost about $600, and a previous Report estimated the cost of comfortably heating the Church at $350, and in addition to these sums liabilities amounting to about $500 have now to be provided for. The sum of $52.08 which appears in the account herewith as "special collections for repairs" is the only response to your committee's request, and this sum has been collected on several special Sabbaths set apart for that purpose during the year.

Owing to the want of funds your committee did not feel justified in going to the expense of an entirely new heating apparatus, but as the present furnace has now become worn out and quite useless, it is absolutely necessary that this expense should be incurred.

We allude to these matters not by any way of complaint, but simply to point out the necessity of subscriptions being kept up to their former amounts, and we hope the congregation will consider these facts carefully. If contributors will do this, your Board has no doubt as to the result, and with the necessary funds, the comfort of the congregation in its Sabbath services will have prompt attention.

We would recommend that subscriptions for repairs be put on the plates in an envelope specially marked "Repairs," with the subscriber's name, in addition to the usual Revenue subscription, on any Sabbath throughout the year. Announcement of the amount contributed for this purpose will be made quarterly to the congregation.

The running expenses for the year, allowing $1000 for pulpit supply, amount to $2050.

The retiring Managers are Messrs. C. Hamilton, Wm. Fee, Wm. Shannon and Jas. Minnes, who are eligible for re-election.

All which is respectfully submitted.

T. D. MINNES,
Secretary.

D. GIBSON,
Chairman.

REPORT OF ST. ANDREW'S CHURCH SABBATH SCHOOL FOR THE YEAR ENDING 31ST MARCH, 1885.

Superintendent..... ....W. G. CRAIG.
Organist... ....Miss Irving.
Secretary..... ..Jas. Pollie.
Treasurer ....Wm. Minnes.

Librarians—Messrs. Jas. Begg, H. Pollie, Wm. Cannon, Alex. Robinson.

Teachers—Mrs. Thompson, Mrs. Paul and Mrs. Cannon ; Misses Fowler, Macpherson, G. Strange, M. Harrold, J. Chambers, A. Minnes, Beaton, A. Harrold, E. Pollie, E. G. Rose, M. McIver, A. Fraser, E. Davidson, M. Strange, Bain, L. Bain, Ross, M. Gray, Hamilton, Minnes, Irving and Sutherland ; Messrs. Ross, Clark, McAuley, and Prof. Harris.

It is with feelings of gratitude to the giver of all good that we look back on the events of the past year in connection with our Sabbath School.

Nothwithstanding the vacancy in the pastorate of the Church, we are pleased to be able to state that the Sabbath School is still prosperous.

Although many of the teachers have severed their connection with our school, either on account of their health or their removal to other fields of usefulness, and many of the scholars have left us, some for other parts of the world, and others for that land where they enjoy a perpetual Sabbath and where parting is no more, still our average attendance is equal to that of last year, viz., 232 ; number of scholars on the roll 300 ; number in Infant class 60 ; number in Bible class 15 ; and our subscriptions to Missions have increased. We still continue to study the International Scheme of Lessons.

The names of the teachers, the loss of whose valuable services we all regret very much, are :—Mrs. G. M. Macdonnell, Mrs. Geo. Clerihew and Mrs. McClymont, Misses Gray, Dickson, Mitchell and A. Strange, and Mr. Calder. We trust that wherever these helpers may be placed in the future, their lives will be prosperous and happy and that the Lord will bless them in their work. We also hope that their places in our school will soon be filled by earnest volunteers.

Five of our scholars have gone to join that band of whom we love to sing in the words :

Around the throne of God in heaven
Thousands of children stand ;
Children whose sins are all forgiven,
A holy, happy, band.

The Prayer Meetings which, last year, were held after the usual exercises, are now held a quarter of an hour before the school opens.

A new system of collecting money has been introduced, viz., by envelopes instead of boxes as formerly, which has increased the collections, but this increase has only been sufficient for current expenses.

The school is much in need of a new Library and other appliances necessary for its efficiency, and to provide these it is estimated that at least $150 will be required. It is hoped the congregation will place this sum to the credit of the school, and in this way add another proof of its interest in and application of this department of the Church's work and give renewed encouragement to teachers and scholars.

The usual Entertainments took place. The Pic-Nic this year was held at Amherst Island, and was made particularly happy by the presence of our late Pastor and Superintendent, Dr. Smith. Many of the congregation accompanied the scholars. We are glad to record this growing interest in the children's outings.

The Christmas Festival was visited by Santa Claus, who claimed to be the only genuine, and the children were more than delighted with his story and presents.

The Kirk-Session prizes, consisting of a handsome reference Bible and a book for the repetition of the Shorter and Mothers' Catechism respectively, were successfully competed for by the following scholars :

For Shorter Catechism—Carrie Bentley, Jennie Minnes, Maggie Volume, Sarah Smith, Annie Conley, Maud Allen, Maggie Minnes, Annie Boyd, Jennie Fowler, John Cannon, Harry Minnes, Jas. Gibson, J. Davidson Craig, Jas. Cochrane, Thos. Sheridan, Jessie Harrold, Annie Fraser, Helen Volume, Sarah Strachan

For Mothers' Catechism—Jennie McLeod, Maud Hyland, Mary Harris, Emma Allen, Walter McDonald, R. McClymont.

Mr. Ross and Miss Chambers were each waited upon by their respective classes and presented with testimonials of love and esteem for their interest in them.

The heartfelt thanks of the Sabbath School are due Miss Irving for her cheerful and willing services as Organist, and also to Miss Greenwood for her kind assistance throughout another year.

All which is respectfully submitted by the teachers and office-bearers.

(Signed) JAS. POLLIE,

Secretary.

At the last annual meeting of this Society the name was changed to the Home Missionary Association, to avoid confusion with the Woman's Foreign Missionary Society.

The Association held twelve meetings during the year and four quarterly Sales, realizing in all $126 70. By special agreement the money made during the June Sale was applied to furnishing the platform of the Church with chairs, table, font, and necessaries for the baptismal service. The rest of the money made during the year was evenly divided, according to the Constitution, between the Missions of the Church and improvements in Church property. The objects this year selected being the Bursary Fund and repairs to the Manse

The funds now in hand, for improvements in Church property made by Congregational Sales, amount to $399.17, and is lying at interest in the Banking House of Donald Fraser, Esq. The Society, aided by a few friends of the Congregation, had an inscription placed on Dr. Machar's monument in memory of the late revered Mrs. Machar.

Kirk-Session Report.

The Kirk-Session respectfully report to the congregation that during the past year the Sabbath Services have been conducted with perfect regularity and been well attended.

The Sacrament of the Lord's Supper has been celebrated five times instead of four, owing to a re-arrangement of dates, made for the purpose of avoiding holiday seasons, and thereby securing larger congregations.

The Prayer-Meeting, owing to service rendered by the Elders during the Minister's three weeks absence in summer, was kept up throughout the whole year. The attendance, however, has not been so large as one would wish or reasonably expect, and it is hoped that this service, evidently appreciated by those that do attend, will be remembered by many more during the ensuing year.

The Sacrament of Baptism was administered to 22 children, and generally in private.

In the Church records 12 marriages have been registered.

During the year 27 communicants have been added to the Roll, 13 on profession of faith, and 14 by certificate. This does not include students.

The Kirk-Session regrets that death and migration have again left many blanks in the communion roll, and on the list of adherents. 10 have died; 12 have removed to the States; 7 have gone elsewhere in Canada, and two have returned to Scotland.

The Session regards with lively interest and joy the persevering activity in congregational, mission and charitable work, by the children and youth of the church, in the Sabbath School, and the more recently established Guilds, and heartily commends them to the generous sympathy and support of the congregation.

The Session desires to record their high appreciation of the services rendered by the Choir, and also of the very efficient manner in which the Precentor and Organist have discharged their important duties.

The Session deeply regrets the failure of efforts put forth by the committee appointed at last congregational meeting for the suppression of a tavern in front of the church.

The Session has examined the report of the Poor Fund administered by the Women's Home Association, and found the same correct and satisfactory.

In name of the Kirk-Session.

J. MACKIE, M.A.,
Moderator.

Report of the Board of Managers.

St. Andrew's Hall, 12th Jan., 1893.

The Managers have much pleasure in submitting the usual Annual Statement to the congregation for the year ending 31st Dec., 1892. They feel that the statement must be gratifying to the congregation, inasmuch as after discharging all obligations for the current year, there is a surplus on hand and no outstanding accounts unpaid.

The Managers would respectfully draw the attention of the congregation to the comparative statement published herewith, which shows a tendency to reduction rather than increase in the revenue available for congregational purposes. It is well to do great things on special occasions but it must not be at the sacrifice of our solemn obligations to our own congregation.

During the year, in consequence of the revenue not coming in as quickly as it should, the managers have been obliged to discount notes, involving an expenditure for interest of $20.10. This can easily be avoided by the payment of the pew rent in advance and regular payment each Sunday of the Voluntary Revenue by the envelopes.

The managers heartily approve of the scheme of the Treasurer of the Interest Debt Fund to raise the amount required, by 400 contributors at 5 cents each, and commend it to the congregation; but care must be taken that it does not impair the ordinary revenue or plate collection, otherwise nothing is gained. The congregation will be pleased to hear that the ladies of the Home Association have placed the handsome sum of $300 in the hands of the Treasurer of the Interest Debt Fund towards the interest on the Mortgage Debt due in February.

The interest account being now under such excellent management the amount may be eliminated from the estimate of our requirements for next year. A close estimate would show that with economy, and if no unforseen expenditure arises, not more than $3750 will be required. But the managers are of opinion that $4000 should be the minimum revenue raised. The Treasurer's statement, published monthly in the Church Notes, should receive the careful attention of all interested in the welfare of the congregation.

The retiring managers are Messrs. McIntyre, Hamilton, Craig and

Minnes, and the retiring ushers are Wm. Gibb, R. Sinclair, J. Hendry and Wm. Nickle.

It is a great pleasure to the managers to note the regular attendance of so many young men at all the church services. This speaks well for the future management of the affairs of the congregation.

AUDITORS' REPORT.

We beg to report having audited the books of the Secretary-Treasurer for the year ending 31st December, 1892. Vouchers were procured and presented for all monies paid. The books are correct and kept in a neat and business-like manner.

JNO. KINGHORN, }
GEO. SOMMERVILLE, } *Auditors.*

Kingston, 14th Jan., 1893.

Report of the Special Committee on "Floating Debt" incurred in Building the New Church.

We reported to the meeting of the congregation last year that a number of small pressing claims had been paid, and that the bank account had been closed. We now report that $3252.10 have been paid during the past year, that thereby all interest-bearing engagements have been met, and that the debt, not including one small unsettled account, now amounts to $220.54, which has been advanced for some time. As no interest is being paid for this last mentioned amount, the committee recommend that its payment be made a first charge on the collection of Anniversary Sunday. The following summary shows our position:

RECEIPTS.		PAID.	
Balance on hand at beginning of the year	$ 180 81	Macnee & Minnes	$1156 35
Old subscriptions to Building Fund	820 00	B. M. Britton	2095 75
New subscriptions to Building Fund	2030 75		
Temporarily advanced	220 54		
	$3252 10		$3252 10

In submitting this report the committee desire to make special acknowledgment of the services of the ladies and of the handsome subscriptions of Mrs. Nickle and Mr. James Minnes, without which it would have been impossible to make so satisfactory a statement to the congregation.

G. M. GRANT,
Convener.

Supplementary Fund.

To the Chairman Board of Managers, St. Andrew's Church.

SIR,

Accompanying you will find full details of receipts under heading of Supplementary Revenue during the year 1892.

I fear that there will be considerable disappointment, among those of the contributors who intended their money to go specially towards liquidating the Interest Debt, when they learn that the amount has been added to the Ordinary Revenue of the church. This procedure could hardly be avoided in the past, but in the current year a new system will be introduced. The Treasurer of this Fund, which will hereafter be known exclusively as the "Interest Debt Fund," will no longer hand the collections over monthly to the Church Treasurer, as has been the custom in the past, but will bank the amounts as they are realized and at the end of the year will hand the whole over to the managers for the specific purpose of meeting the charge for interest on the Church Debt. A total number of 400 contributors must be got who will agree to pay at the rate of 5 cents per week, making a total of $2.60 a year.

I am very glad to say that, so far, this proposal has been very cordially met by those members of the congregation to whom I have spoken and I fully anticipate that before very long I will have the full number of 400 contributors secured.

The total of the fund raised through my agency in 1892 was $219.60 against $183.55 in 1891 and $202.25 in 1890. This year we must have five times this amount nearly.

Faithfully yours,

R. S. DOBBS,

Treas. Int. Debt Fund.

It is with much gratitude to the Great Teacher that we, as a Sabbath School, appear before you to render an account of another year's work.

There are 249 scholars on the roll, including the Bible and Infant Classes, with an average attendance of 217. The number of teachers and officers on the roll is 41; average attendance 35. Average number of scholars attending church 53. Two scholars have joined the church during the year. All the classes have studied the International S. S. Lessons for the year with the exception of the Bible Class.

The following scholars obtained Bibles for reciting the whole of the Shorter Catechism:—Agnes Maitland. For reciting the whole of the Mothers' Catechism—Jos. Reid, James Hopkirk, Grafton Herald, Jas. MacDonnell, Ralph Harris. For reciting the whole of the Paraphrases—Gertie Harold.

During the year we enjoyed pleasant visits from Messrs. Strachan and Hermiston former pupils of our school, now engaged in Sabbath School work in the United States, who expressed the warmest regard for St. Andrew's S. S. where they received their early training.

Since our last report was presented Miss Rees and Miss A. Pollie as teachers and Messrs W. Nickle and Gibb as librarians have severed their connection with the school; our best wishes follow them for the future.

No changes have been made in the library with the exception of the issuing of a catalogue which has simplified the work of the librarians very much. Mrs. W. T. Minnes, Miss Knox and Miss E. Minnes have been added to our staff of teachers; we welcome them.

Special quarterly collections have been made during the year, the proceeds to be devoted to Home Missions and the Church Building Fund. By this means $57.20 have been realized for Missions and $65.87 for the Building Fund, which is very encouraging.

We desire to express our thanks to Miss Machar for the copy of her latest work entitled "Marjory's Canadian Winter" which has been placed in the Library, No 884. We have no doubt it will be much sought after by teachers and scholars.

The annual Pic-Nic and Xmas Festival were held as usual and were very successful. A pleasant feature of the latter being the presentation to Mrs. Thompson by the mothers of the children under her charge in the Infant Class of a handsome easy chair. We join with the parents in wishing Mrs. Thompson many happy hours in the enjoyment of it.

All which is respectfully submitted.

Women's Foreign Missionary Society.

Office Bearers for 1892.

President.....Mrs. Mackie.

Secretary.....Miss Mowat.
Treasurer.....Mrs. Geo. Hazlett.

This Society has held its monthly meetings regularly during the year. It is still a matter of regret that they are attended by comparatively few. Though the number of members is 45, though it ought to be much larger, the average attendance has been 9. At these meetings missionary news is communicated and papers bearing on mission life, its difficulties and trials and marvellous triumphs in our times are read and considered, and those in the habit of attending are interested and value the meetings.

During the greater part of the year sewing-meetings have been held, generally twice in the month, at which the average attendance has been five. At these meetings cast-off clothing has been repaired and new garments made for the indians, heathen and christian, in the North-west. The value put upon the clothes sent this year is $100. Thanks are due to all those who responded to the appeal made through Mrs. Dobbs and contributed garments, quantities of calico, or small sums of money. Everything has been made the most of.

At the Annual Thanksgiving Meeting the minister presided and Mrs. Byers of Gananoque, the President for this year of the Presbyterial Society gave a short but earnest address. The Thank-offering amounted to $37.25, though few were present. The total income of the Society is $95.67, and all liabilities having been met, the sum of $84.52 has been allocated to Foreign Mission work.

Mission news in the form of leaflets and to the number of 60, has been circulated monthly.

At the Annual Meeting of the Presbyterial Auxiliary, held at Belleville last April, the Society was represented by Mrs. Mowat, Mrs. Fisher, and Miss Ethelwyn Mowat. A most interesting report of the proceedings was brought back by Mrs. Fisher.

The Society has perceived with deep regret that the efforts put forth by the congregation in response to its pleadings and the pleadings of all the Societies in the church, for the suppression of a tavern in the immediate vicinity of St. Andrew's have proved unavailing.

It is a new hindrance to Home Mission work, and therefore to Foreign Mission work, and hindrances already abound. Surely there is a call for more workers, sensible, consecrated women, who will give life abundantly to this Society and be able to report to the praise of God far greater things than are now, or ever have been recorded.

The Association begs respectfully to report that during the year the monthly meetings have been held, and were fairly well attended.

The work undertaken by the Association has been systematically

carried on and not without success. The Missionary Record has been distributed every month in 225 homes; contributions for the Home and Foreign Missions of the church and for congregational purposes have been gathered; and the collections for the poor carefully administered.

The sum of $300 has been raised this year for the Interest Fund, and after meeting all expenditure there remains a balance in favor of the Association of $150, with which operations on a new method have been commenced for 1893.

The Association desires to express its sorrow that, notwithstanding the efforts of the committee appointed at last congregational meeting, a tavern has been planted in front of the church.

Subjoined is the Report of the Poor Fund which has been audited and certified to be correct in all respects.

For the year that has passed away there are no striking particulars, but a general report of work steadily pursued in a quiet and unostentatious way. The different Sections have each attended to their respective departments and reported their doings at the monthly meetings over which the Minister has always presided and under whose guidance the whole work of the Guild is carried on.

One of the chief ends of the Guild has been the banding together under solemn obligation of the young women of the church for systematic christian work of various kinds in and out of the congregation. It is the sphere wherein all those works in variety can be engaged, which are the true adornment of women professing godliness, and in which all the loyal maidens of the church are expected to be found. Its institution therefore and its busy life in the heart of the congregation are calculated to prevent the ardent youth of the church from straying into alien and ephemeral associations away from the approving eye and guiding hand of those who are over them in the Lord, and of concentrating all the different elements of strength scattered throughout the congregation, that spasmodic working and overlapping and dissipation of energy may be prevented.

The Guild has now 42 members all workers there being no room in it for purely honorary connections. The door stands open to every young woman in the church, and none should be found standing outside idle or busy under names and obligations unknown to the church.

One of the most important Sections of the Guild is the one called the Dorcas, through which warm clothing reaches families suffering in silence, and little children that otherwise could not have the pleasure and advantage of attending church and Sabbath School. Respect for the feelings of such prevents the giving of details, but one can clearly see how extended the usefulness and far-reaching the influence of this Section can be when encouraged and helped by the

congregation. The Section has not been without these aids during the year. Contributions of material and money, little but many, have kept their minds easy, their hands busy and their hearts glad in this sacred work. By selling at lowest prices clothing for the poor after their free distribution was made they acquired a little means for commencing the work of a new year, and if members of the congregation would only send their large subscriptions to *their own* Dorcas Society the field of operation would be greatly widened and the strength of the church augmented.

The Section has been strongly reinforced for 1893, and is under the excellent convenership of Miss Smith, unanimously chosen for this position on the resignation of Miss McIver, who has rendered excellent service since the founding of the Guild, and who is still a working member of the Section.

The Hospital Section has the holiest and tenderest of christian work under its care, the visiting for purely religious purposes the afflicted inmates of the General Hospital and Rockwood Asylum. Very strengthening and comforting meetings have been held almost weekly at the Asylum during the year, and the ladies in charge have had much real gladness in their work. Through a feeling of timidity the workers in this portion of the field are not so numerous, and two or three very earnest young women, or not young, would be a great gain. The General Hospital has also been regularly visited for the purpose of reading to the sick the Holy Scriptures, holding religious conversation with them, and supplying little wants that are discovered. This last, however, has often had to be left undone, as private means alone could not fulfil all the great desires of the heart. Several times at the monthly meetings have regrets been expressed that they had to visit so often with empty hands. $25 or $50 would be riches to this Section, scatter fragrance over many a secret-place, and fill with pure joy the hearts of the visitors. And why should not this sweetness and gladness of heart not be?

It is reasonable to expect not only that some but that the larger part of the charity of the members of the church should flow through channels dug by those in authority in the congregation, and highly approved by it. Miss Hudgeons, who succeeded Miss Dickson last year, and has been unremitting in her exertions, has been unanimously continued at the head of this Section, and the much appreciated services of a lady, not a member of St. Andrew's are, we are glad to say, to be continued throughout 1893.

The Blue Cross Section, in charge of Miss Annie Davidson, has not had much to do during the year. Perhaps this is the best report that

could be given. There is no sin from which the congregation is freer than the sin of drunkenness, and the practice of total abstinence may be said to be the rule. Special work among the young is contemplated for 1893, and for this purpose the section will be strengthened by Mrs. Thompson, whose long continued work in the Sabbath School merits the praise of all.

The Section, and the whole Guild with it, lament the establishment of a drinking saloon right in front of the church, notwithstanding the strong christian influence brought to bear against it. The net however is spread at our door by the authority of man, but it is confidently expected that, by the authority of God, the warning voice will always be lifted up and the preventing hand outstretched.

The Visiting Section under Miss Jones, now succeeded by Miss A. Davidson, has had special charge of all old and frail people unable to attend public ordinances. In their rooms they have held meetings for praise, the reading of the Scriptures, and the rehearsing of the Word preached in the Sanctuary, thus being bearers of portions to them that, through the providence of God, have to tarry at home.

The Social Section under the genial and energetic convenership of Miss McIlroy, who has held office since the creation of the Guild, has attended in the most satisfactory manner to the duties entrusted to it. Sometimes by themselves, and at other times in co-operation with the Women's Home Association, social evenings of the most delightful character have been held during the year, the kindly influence of which must linger with many.

Changes through marriage and migration have taken place since last report was laid before the congregation, but it is with thankfulness to God that the Guild has to record no blank in its membership through death since its commencement.

All which is respectfully submitted.

M. VOLUME,
Secretary.

Young Men's Guild.

During the past year the chief work of this Guild has been the conducting of meetings for Bible study every Sunday morning at 10 o'clock.

As many of the members have been engaged in Sabbath School work we have continued the use of the International Sunday School Lessons as our subject of study.

The attendance has never been large, but those of us who have attended regularly have found them very interesting and profitable. We regret that so few of the young men of the church have joined us, but we trust that during the present year the Guild may be very much strengthened.

To all the young men of the church we extend a cordial invitation to co-operate with us in this good work.

The officers elect for 1893 are as follows:—

Hon. President.....Rev. J. Mackie.
President.....W. T. Minnes.
1st Vice-President.....F. Raney.
2nd " .....J. B. Cochrane.
Sec.-Treasurer.....Geo. Paterson.
Organist.....S. Shannon.

Juvenile Guild.

Hon. President.....Mrs. Mackie.
President.....Miss Hamilton.
Vice-Presidents.....Misses Pollie and Bain.
Secretary-Treasurer.....Miss Thompson.

The weekly meetings of the Guild have, with a short interval in summer, been carried on throughout the year. The average attendance has been fifteen and the work done has been of a miscellaneous character, the sewing of useful garments, knitting of mits and stockings, making of scrap books, picture frames, nick-nacks and such like. The greater part of this work was offered for sale in the autumn of the year and was entirely disposed of.

In the summer a Strawberry Festival was held in the hall, and was so well patronized by the friends of the children that a considerable sum was realized.

The principal source of our revenue, however, for this year, was a balance of 49.54 carried forward from last year, after paying $260.71 for furnishing St. Andrew's Children's Ward in the General Hospital. This year $79.50 has been spent on the Ward and a further sum of $31 is now being used in replacing articles worn out, meeting new wants, and providing clothing for destitute children found in the Ward.

Frequent visits have been paid to the Hospital during the year, and at Christmas time presents of toys, candy and warm clothing

were given to the sick children. These were purchased from contributions dropped into a box at the work-meetings during the year and are not taken into account in the accompanying statement of funds.

The children also voted $25 to the fund for providing bells for the church.

All which is respectfully submitted.

POOR FUND.

Balance on hand 31st August, 1877, $13.43. Collections: October, 1877, $55.02; January, 1878, $36.70; April, $44,53; July, $33.08; Total, $182.76. Expended to 31st August, 1878: money $142.75, Groceries $8.98, 10 cords Wood $40, Total 191.73, showing balance against account of $8.67. In addition to the above the Session have gratefully to acknowledge donations from Miss Strange for the Ladies' Sewing Society $27.05, Rev. Dr Snodgrass $20.00, and from Thanksgiving Service $10. It will be seen that, but for these welcome donations, the Poor Fund would have been in debt. Including the donations the balance in hand on 31st August was $48.08.

REPORT OF THE COMMITTEE OF MANAGERS.

St. Andrew's Church,
21st Oct., 1878.

The Managers herewith submit their annual financial statement for the year ending 31st August last, and, although an improvement upon the previous year, they regret, in common with every member of the congregation, that something more favorable cannot be reported.

The floating debt has not been materially reduced, although the revenue exceeds the expenditure $344.89, and this non-reduction is owing to some accounts having been omitted last year, and to others that were supposed to have been covered by the "Debt fund", but which the treasurer of that fund declines to take over, having now to appear as new liabilities. The net receipts and disbursements for the year are $3029.79, and $2684.90, respectively; and the amount of floating debt this year is $800.29, against $815.44, for year ending August, 1877. The increase in the receipts is largely due to the vigorous canvass of the congregation made by the Committee in February, which was liberally responded to by a goodly number, but yet did not realize expectations. This is to be regretted, as it was thought that a personal request would have increased the revenue sufficiently to liquidate the indebtedness of the church so far as the Managers are concerned, besides paying the current expenses for the year. It was the general experience of the Committee that those who were already giving very liberally, increased willingly, while others who were contributing little or nothing and who it was thought might have done considerable, refused to consider the matter at all. This experience led the Committee to frame the resolutions which were intimated from the pulpit towards the close of the year, with reference to the minimum sum per annum for each sitting, viz.: $3.

With these resolutions enforced, the unwilling givers will be obliged to contribute, and thus assist those who pay conscientiously, to whom of course the resolutions do not apply: the accommodation of the

church will be increased, and the Managers will have more control of the pews. It may be of interest to state here that there are 93 subscribers under three dollars per sitting against 75 over that figure, and that the annual expenditure averages about $5 per sitting.

The Committee regrets that it is obliged to come before the congregation year after year urging increased subscriptions to revenue. It should not be necessary to do this, as a glance at the figures for the year ending August 31st, 1877, will prove.

But while the Committee desires to urge the consideration of supplying sufficient revenue, it would also remind the congregation that of the expenditure, which the Committee is bound to provide for, there is but a small portion controlled by it—say not more than $417.24, the balance being fixed by the congregation, and consequently beyond the Managers power to change. The Committee express the hope that the proceeds of the Ladies' Sale, which it is proposed to hold during next Christmas season, may supplement the revenue sufficiently to pay off all the deficit, and thus free the congregation from the odium of a floating debt.

The Committee ask attention to the indebtedness of this, as compared with last year, exclusive of Bonded Debt account, as indicated by the following figures:

1877.		1878.	
Balance due Treasurer....	$634 25	W. P. Minnes, Treasurer..	$426 61
Repairs to Manse.....	65 11	Geo. Newlands & Son.....	14 08
Minister's Expenses to Ch. Courts...	40 00	Minister's Expenses to Ch. Courts.....	40 00
Rent Church Organ	50 00	W. Irving & Son (omitted last year)..... ...	180 75
G. Newlands & Son.....	26 08	A. Ross (omitted last year)	23 00
		I. Noble, $60 wood on hand.	88 00
		Davidson, Doran & Co. (omitted last year)..... ...	27 85
	$815 44		$800 29

More accommodation is wanted in the church. There are applicants for eleven sittings, and none to let. The soldiers of "A" Battery complain, and justly too, that comfortable seats are not afforded them, and a detachment of cadets from the Military College asks to be provided for, besides a number of students of Queen's University, for whom seats should be allotted.

The property generally is going to decay, but particular mention may be made of the Princess Street fence, which will require to be rebuilt next year. The interior of the church also needs painting, and sundry other repairs. The Manse fence on Queen Street should be replaced. For the purpose of raising means towards the cost of these repairs and renovations, the Committee recommend that two special collections be taken up next year, viz.: on the first Sabbaths in December and March.

The item of insurance will not appear again for three years, as all the policies run that time and were renewed this year.

The item, "paid Treasurer of Poor Fund", does not cover the whole amount subscribed for that object, but only that portion of it which has passed through the hands of the general treasurer, or for which returns have been handed to the Committee by the treasurer of said fund.

The sum, "paid Organ rent", includes the amount due last, as well as the portion of this year, up to the time that the present instrument was purchased. The organ now in use in the church is loaned by the "Organ Fund Committee" and costs the revenue a rental of one dollar per month. This arrangement is a saving to the congregation, for although a nominal rental is paid, the money goes into the Organ Fund of the church, the full benefit of which it is hoped all will enjoy in a short time.

Thanks are due the Treasurer, who has this year performed his services free, thereby effecting a saving of $157.00.

During the year, Messrs. D. Fraser and S. McBride retired voluntarily from the Committee, and Messrs. Irving and W. P. Minnes were appointed in their stead.

The retiring Managers are Messrs. R. Carroll and A. Ross, who are eligible for re-election.

Finally, the Managers humbly and devoutly thank the great Head of the Church for the goodness and mercy, which has continually followed the congregation throughout the year, and pray that a more earnest heed may be given to its temporal affairs, so that the spiritual work may go on unhindered.

All which is respectfully submitted.

W. P. MINNES,
Treasurer.

W. G. CRAIG,
Chairman.

To this amount must be added one year's interest on $1950 00, say $136 50, making a total of $810 49.

In consequence of the low state of the ordinary revenue, and other important claims being urged upon the congregation during the past year, no special effort has been made to obtain new subscriptions to the old debt fund. It is hoped that those who have not yet subscribed will do so cheerfully, as upon them rests the responsibility of completely freeing the church from the old debt. From the above statement it will be seen how much of our money goes away for interest, this is hard to bear and must be stopped. It is only by a united and hearty effort of the whole congregation, and prompt payments of the amounts subscribed, that this debt will ever be paid. Delay on the part of some frustrates the efforts of those who pay promptly, as the payments made are used first to pay interest instead of being available at once to reduce the principal of the debt.

By a special effort the Managers have been able to raise the ordinary annual revenue to equal the present annual expenditure, with a slight margin for contingencies, but there is still a deficiency with them, part of which properly belongs to this old debt fund. It is generally understood that the ladies of the congregation have resolved to direct their efforts this year towards relieving the Managers from their unpleasant position. In order that there may be no dividing of the energies of the congregation it has been suggested to amalgamate the deficiency of the Managers, or so much of it as they cannot provide for, with what is known as the old debt, fixed at $3500 00 by the congregation in February, 1877. This would be contrary to the understanding at the time the old debt was so fixed, and if it was thought this course would have the effect of laxity on the part of the Managers in collecting the annual revenue it should not be acceded to, but if it will have the effect of directing the efforts of the whole congregation on one point there is no doubt of its being the best course. It is for the congregation to say whether this will be done, and it must be remembered that the mere transfer in no way provides for a single dollar of the debt. A greater effort than even that of last year will be required before any impression will be made on the old original debt.

Debt is a burden in any shape to a congregation, it eats up its revenue, it discourages willing contributors, it opposes missionary enterprises, and exercises a depressing and paralizing effect on the people generally. A great variety of means are used now by almost all churches to free themselves from debt, but there is no way so sure, so satisfactory, so honest, as the old-fashioned way of those who are in debt to simply put their hands into their own pockets and pay it honourably themselves.

ANNUAL REPORT OF ST. ANDREW'S SABBATH SCHOOL FOR THE YEAR ENDING 30TH SEPTEMBER, 1878.

Superintendent.....Rev. T. G. Smith.
Ass't. " ....W. G. Craig.
Treasurer..... ..James Craig.
Secretary.... ....J. M. Strange.
Organist..... .... Miss Irving.

The School met every Sabbath afternoon at 3 o'clock.

A quarterly service was held in the Church, at which time a sermon was preached by the Superintendent.

The number of Teachers on the roll is twenty-nine. The number of Librarians on the roll is four. The number of Scholars on the roll is about two hundred and seventy, exclusive of Mr. Woods' Bible Class, and the average attendance during the year has been one hundred and ninety-six. The largest attendance has been two hundred and thirty. The largest attendance including Teachers and Mr. Woods' Bible Class two hundred and ninety, and the average attendance two hundred and thirty.

The studies for the year were taken from the Westminster Lessons upon the International Series.

The mission work undertaken by the school during the year has been the support of two orphans in India, also a liberal contribution to the Canadian School there.

The Scholars have enjoyed the Annual Christmas Festival and Summer Pic-Nic, and all the more from the greater interest manifested in them by the congregation.

The school is now much in need of a new Library, as many of the books are so badly torn as to render them useless for distribution among the scholars.

During the year the funds of the school have been largely supplemented by the liberality of Mr. A. Macpherson and Mr. Romaines, enabling us to purchase a Melodeon for the use of the Infant Class.

Thanks are due to Miss Irving for her faithful and efficient services as Organist, also to Mr. W. G. Craig for the manner in which he has conducted the service of praise in connection with the school.

In conclusion, the members of the school have reason to thank their Heavenly Father for the success that has attended their humble efforts for the year.

All which is respectfully submitted.

T. G. SMITH,
Superintendent.

REPORT.

The Ladies' Missionary Association of St. Andrew's Church presents the following abstract of the work done by it, for the year 1877–8.

During the 12 months ending April, 1878, seven meetings have been held, with a respective attendance of members as follows:

May,..... ...19 members.	December.....11 members.
September... 10 "	January.....10 "
October.....11 "	February ....14 "

March....13 members.

Six monthly sales were held, realizing $104.47, one-half of which sum was as usual given to Missions, the other half being this year paid over to Donald Fraser, Esq., the Treasurer of the Debt Fund.

A Special Sale, in aid of this Debt Fund, was held at Christmas and netted $531.30, $50 of which was considered a fair proportion for Missions, and the balance, $481.30, proved a timely assistance, which, added to the funds in hand, enabled the Treasurer to cancel a bond for $1000, and thus stop $70 of annual interest. $8.25 were received from membership fees, shewing a roll of 33 members.

The total receipts of the Association for the past year, apart from collections, have been $694.02.

In additien to this the Collectors for the Schemes of the Church have paid into their Treasurer $519.42, which, when not allocated by the contributors, is appropriated by the Session.

These Collectors are also expected to act as district visitors, and to call upon all families claiming connection with St. Andrew's Church.

A personal knowledge of the sick, the poor and the careless, is thus secured, and a systematic monthly visitation of all who require sympathy, aid, or supervision, aimed at.

From a consideration of this statement, it is evident that if a score of women, nearly all of whom are also Sabbath School Teachers have accomplished all the *work* required for raising the $1213 reported; the hearty co-operation of the hundred or more women in the congregation who might just as easily engage in this work, would not only quadruple the sum raised by the Association, exclusive of collections, but would quicken and advance the entire christian life of the church; and it is very difficult to see why so much and such important work is left in the hands of so few. Surely next to our own families our own congregation

has the first claim upon us all; and we have the best authority—even that of the Master Himself—for believing that personal consecration to His service, and active christian work, as the result of such consecration will result both in the higher spiritual life of the Church and in a better filled Treasury.

With grateful acknowledgments to Him whose blessing alone maketh rich, this Association earnestly prays that large numbers may be added to its ranks during the coming year, and that all its members may be found "steadfast, immovable, always abounding in the work of the Lord."

By order.

E. MOWAT,
